The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

RUBEN SALAZAR MOTION

Based upon County Counsel's memorandum to the Board of Supervisor's dated August 17, 2010, which thoroughly analyzed the Public Records Act request as related to the Salazar investigation, the Sheriff's Department intends to reduce the amount of information that was originally planned to have been redacted from the Salazar files. Additionally, we have revised our cost estimate by eliminating any associated overtime, and reassigning personnel to accomplish this request utilizing regular hours. The combination of these two factors has allowed us to considerably reduce our original cost estimation.

Homicide Bureau supervisors estimate they could complete the assessment of the information within a two-week period. The revised estimated number of personnel and hours necessary to complete this task are as follows:

Rank	Total Hours	Hourly Salary	Cost
Lieutenant	40	\$66.67	\$ 2,667
Sergeant	120	\$55.49	\$ 6,659
120 Day Retired Employee	72	\$47.18	\$ 3,397
Veteran Intern	160	\$16.00	\$ 2,560
Total Estimated Salary Cost:			\$ 15,283

A lieutenant would review and approve all of the potential material for release. Sergeants would review material to ensure compliance with the request. The 120 day retired employees would review all material and information as needed. The

veteran interns would be responsible for the photocopying/scanning and the cataloging of all information contained within the files.
